2018 Spring Leaf Collection

The Crown Point Public Works Department will begin spring leaf collection on Monday, April 2, 2018, weather permitting and will continue until April 27, 2018, weather permitting. We ask that Citizens follow these listed guidelines:

- Place the leaf piles along the curbside within six (6) feet of the street if possible.
- DO NOT PUT LEAVES IN THE STREET; this can cause sewer back up.
- Remove all debris from leaves such as rocks, sticks, boards, bricks, etc.
- Do not park vehicles within ten (10) feet of the leaf pile.
- No leaves will be picked up in the alleyways.
- Calling when yard work is completed IS NOT NECESSARY. The Street Department has a regular route starting at one end of town and continuing to the other end of town until the entire City is picked up/serviced and starts their route over again.
- Place leaves away from mailboxes, trees, power line guide wires, utility poles, and any other obstructions.
- Please have all leaves collected and at the curb before the deadline of April 27, 2018. There is no guarantee that leaves put out after this date will be picked up as the leaf vacuums will not be out on a regular basis again until fall leaf collection.
